

# SAMPE Europe SETEC 01/-06

SAMPE Europe Technical Conference and Tabletop Exhibition

Centre de Congrès Pierre Baudis F-31685 Toulouse  
September 13<sup>th</sup> -14<sup>th</sup>, 2006

## State-of-the-Art Materials and Technologies for Next Generation Aircraft

A380 taking off from Toulouse Airfield (by courtesy of AIRBUS)

SAMPE Europe's International Technical Conference and Tabletop Exhibition will focus on the Aircraft and Space Industries.

It is recognized that Aerospace application needs the most advanced materials and technologies to cover the requirements of the Next Generation of Aircraft and Space applications. It is for that reason that SAMPE Europe decided to set up a new type of conference, targeted and oriented, to bring over 2 days, the latest achievements in materials and process to the Audience. These will be presented by selected topspecialized fields of activity.

There will be an opportunity to display at a Tabletop Exhibition those latest achievements from Research Centre and Universities, Manufacturers of Aircraft and Space structures, OEM-suppliers and associated Industries attracting the real specialists from the Audience.

The Time Table of SETEC 01/-06 will be organized upon Plenary-Sessions and will include coffee breaks at the Tabletop area, two lunches and participation to the SETEC Conference Dinner.

- ◆ SAMPE Europe's expertise brings leading edge materials and process technology from Aerospace and Space to the Toulouse Conference Center to expose their latest achievements to an international audience.
- ◆ The detailed Conference Programme with Papers and Speakers are being defined and will be completed and made public on SAMPE Europe's home-page ([www.sampe-europe.org](http://www.sampe-europe.org)) prior to the end of May 06.
- ◆ SETEC 01/-06 will be organized in Toulouse with the very much appreciated support and assistance of AIRBUS Industries.
- ◆ A visit tour to the A380 Works in Blagnac/Toulouse is in planning.

Continued on page 41.

### Tabletop Exhibition

The modern Conference Center Pierre Baudis offers excellent infrastructure for Conference Audience and Exhibition Aspects. It is for that reason that SAMPE Europe decided to offer the possibility to hire **30 Tabletops directly linked** to the Conference Audience Room. Coffee breaks and lunch will be served in this area creating an excellent opportunity to get in a direct contact with the highly specialized conference attendees.

The limited number of Tabletops are proposed for renting at a rate of €800.00 TTC per 1 Tabletop unit. (1 table + 2 chairs)

Booking pre-registration will be accepted by SEBO of SAMPE Europe under e-mail address: sebo@sampe-europe.org starting April 1<sup>st</sup> 2006.

### Hotel Accommodation in Toulouse

SAMPE Europe will prepare and work out comprehensive proposals for Hotel accommodation in the Centre of Toulouse. Detailed informations will be made public prior to the end of May at SAMPE Europe's homepage, or can be acquired from SEBO under e-mail: sebo@sampe-europe.org

### SETEC 01/-06 Conference Dinner

To get an optimized output for each conference attendee and to strengthen the individual networking aspects, SETEC 01/-06 of SAMPE Europe will invite all conference attendees to attend the SETEC 01/-06 Conference Dinner, to be held in a very attractive location of Toulouse.

### SETEC 01/- 06 Support from AIRBUS Industries

SETEC 01/-06 Technical Conference will be organized with a very much appreciated support from AIRBUS Industries – offering to each attendee the opportunity possibility to visit on the afternoon of the 2nd conference day the assembly line of A380 at Blagnac Airfield.

For security reasons, preregistration of one month ahead may be required.

---

---

Those interested in participating to SETEC 01/-06 – and / or renting Tabletop Facilities are kindly invited to get in contact with SAMPE Europe SEBO Office under e-mail: sebo@sampe-europe.org.

By early June the Preliminary Programme will be transmitted to you together with the registration form. Price for SETEC 01/-06 registration including 2 coffee breaks, 2 lunch, 1 Conference Dinner and visit to A380 Assembly works in Blagnac will be €600.00 TTC for SAMPE members and €675.00 TTC for non-members.
